Dear Summer Camp Parents,

At Y day camp, we are here to make your kids feel welcome. To help them quickly realize this is a place where they belong and can be themselves. Try new things. Make new friends. And be a part of something great.

The Y is giving kids their *best summer ever* through a day camp experience with more activities to help them learn, master skills, make friends and feel welcome.

Through the Y's day camp program, kids participate in fun and educational activities that help them:

- Learn and master skills that help them realize their passions, talents and potential;
- Build friendships with new friends and staff role models adding to their well-being;
- Help them feel like they belong so they feel safe, welcome and free to express their individuality.

We know we have a huge role in each camper's development and we take that seriously. Thank you for allowing your camper to spend the summer with us. The YMCA understands the many benefits a quality camping experience can provide: lasting friendships, skill development, healthy physical activity and FUN to name a few. We ensure that the YMCA is for youth development, for healthy living and for social responsibility. We offer diverse programs and activities to match the interests and needs of our campers of all ages.

Children's lives are changed on a daily basis and our staff is exceptional! The summer staff is a group of experienced, talented and dedicated people who enjoy working with children. They understand that every child is unique and will strive to help each child develop at their own pace. Every staff member completes a two week-long staff training and goes through extensive reference and criminal background checks as well as a personal interview.

Our staff are also BLS certified. Camper safety, both physical and emotional, is of the utmost importance to us. Our staff truly wants the best for your child to grow, develop and have fun!

We know you have a lot to consider when choosing the right summer camp for your child and we are here to answer all of your questions. You are always welcome to contact us for an individual meeting through our office anytime during weekly business hours.

As Camp Directors, our goal is to make a difference within this community by providing a camp experience that creates an enjoyable memory for all campers. This goal is achieved through selective screening of staff and a camp atmosphere that fosters the development and strengthening of friendships.

Sincerely,

Holly K. Martin

Executive Director

- A high quality program can only take place in an orderly, mutually respectful, and caring environment. Child guidance is a process where children take increasing responsibility for their own actions. At the YMCA, we take the happiness and safety of our participants seriously. Therefore, we work very hard at creating a safe and fun environment. Along

with our efforts, we need the children to help us by following some simple rules. Below is our behavior agreement.

YMCA Camp Carter Camper Behavior Guidelines for Success

Here at Camp Carter, we want to provide a safe and fun environment that promotes the growth, character development, and skills of every camper. As we are all well acquainted with that no camper is perfect; each one will have moments of being upset and allowing those big emotions to influence their actions. Our goal is to help each camper continue to learn how to develop and implement the skills to make wise and responsible decisions in the face of those big emotions. In order to do that, we have behavior guidelines that lay out "In Bounds" and "Out of Bounds" actions and responses. Our desire is to love, serve, and care for each camper by taking the time to demonstrate, explain, and implement positive and appropriate actions and responses before, during, and after those moments of big emotions with ourselves, other staff members, and every camper. Our hope is that as they watch, interact, and talk with us, they will join us in these actions and responses.

Please read, review, and talk with your camper about the following Behavior Guidelines for Success: YMCA Camp Carter wants to develop and display our four core value character qualities of Caring, Honesty, Respect and Responsibility, as it is a large part of our commitment to offering a safe and exciting camp experience.

4 Core Value Character Qualities

- 1. Caring:** Be kind; be compassionate and show you care for yourself and those around you; express gratitude; forgive and offer forgiveness
- 2. Honesty:** Be reliable and truthful by upholding your words and commitments; do not steal or cheat; have the courage to do the right thing—even when no one is looking
- 3. Respect:** Be kind and polite to others and yourself with your words and actions; interact with others and yourself with love and patience
- 4. Responsibility:** Be proactive with your actions and words; take ownership for your actions and words; make wise and thoughtful decisions; be quick to forgive and offer forgiveness

Behavior Playbook

Because these Core Character Qualities are the end zones we are all aiming for, here are a few plays by plays that we are wanting to follow to achieve our goal. Because each camper and situation is different, we will adjust to move forward with the intentions to care for and serve everyone in each given circumstance.

In-Bounds Actions, Responses, and Reactions:

- 1. Graciously Forgiving & Asking for Forgiveness**
- 2. Taking Responsibility**
- 3. Expressing Thankfulness**
- 4. Others Focused**
- 5. Seriously Fun**

Out-of-Bounds Actions, Responses, and Reactions:

- 1. Hands-On:** More times than not, campers placing their hands on each other, in any manner, is the cause of conflicts. Hands-on includes: hitting, slapping, pushing/shoving, punching, choking, pinching, scratching, tripping, kicking, stealing, etc.
- 2. Sensitive Words:** We all know how quickly jokes turn into using harmful words that are sensitive to others. We also know how quickly having big emotions results also using harmful words that are sensitive to others. Examples of these words are: Derogatory “jokes” and statements, insults, cussing, inappropriate language and topics, degrading and/or belittling words, peer pressure, nagging, teasing, gossiping etc.
- 3. Bullying:** Whether in forms of verbal or physical, intentional or unintentional, Out-of-Bounds actions, responses, and reactions all result in bullying. Bullying does not promote, create, display, or teach a safe and fun environment, and therefore, it is something that we cannot tolerate due to the lack of care towards each other.

Going Out-of-Bounds Corrections:

- 1. Proactive:** We intend to be proactive through the staff displaying In-Bounds actions, responses, and reactions—this will happen each step of the way.
- 2. Address:** When going Out-of-Bounds occurs, we will address the situation away from the group by asking what happened, why this happened, and how can we move In-Bounds—this will happen each step of the way.
- 3. Inform and Ask:** We will inform the parents/guardians of Out-of Bounds behaviors, and ask how we can best support them and their camper moving forward; either that’s a break from activities and the group, providing a cool of period to help handle big emotions before stepping out-of-bounds, etc.—this will happen each step of the way.
- 4. 30 Second Timeout:** Based on the severity and frequency of the behavior, we will have to ask for a timeout—taking a day, two, or three (depending on the situation) at home to have time off to gather the big emotions and be ready to step back in-bounds at camp.
- 5. Missing the Game:** If a timeout has taken place, and stepping Out-of-Bounds continues, taking the rest of the week or the following week off will be the next play call to give a further cool-off period and time to reflect on how to step back in-bounds.
- 6. Ending the Season:** If Missing a Game has taken place and out big emotions continue to step out-of-bounds, we will have to ask that we take the rest of the summer to reflect and practice on how we can return back to camp the following season—whether holiday camps or the following summer.

We are hopeful and expectant that we will see the 4 Core Value Character Qualities develop, growth, and display in every staffer and camper throughout the summer, and we cannot be more excited! Please review these In and Out of Bounds Actions, Responses, and Reactions with your camper to ensure the best summer ever! Thank you for trusting us with your camper! It is a privilege, blessing, and something we take seriously that we are a part of their personal growth and development. Camp Life is *truly* the Best Life!

-Your YMCA Camp Carter Team Please read our behavior contract with your child and ensure they understand all the behavior policies.

Procedure for parent notification: Parents notified by phone, email of any behavioral complications that may occur with their child

* Due to seriousness of the behavior any step can be taken at any time*

Illness and Exclusion Criteria

All immunizations must be current. Children must be healthy enough to participate in the program's daily routine. We do not have the facilities to care for sick children and therefore do not allow them to attend the program. For the safety and comfort of your child, please keep them home until they feel better and no longer present the danger of passing on their illness.

If you are keeping your child home due to illness, please contact the camp by 9:30am and let the staff know of your child's absence. When your child has a fever (fever of 100.4) or vomiting/diarrhea, please make sure they remain at home 24 hours after their temperature and symptoms returns to normal. We may require a physician's release for any medical or health condition. If your child becomes ill while at camp, you will be asked to pick up your child as soon as possible.

Exclusion from camp may include, but not limited to the following illness/communicable health problems:

- Conjunctivitis (pink eye)

- A chronic runny nose with colored discharge

- A chronic cough

- A fever

- Vomiting or upset stomach

- Signs of general fatigue or discomfort

- An open rash

- Head lice

- Knowledge that the child has had a fever within the past 24 hours

Please notify the YMCA if your child or any member of your immediate household develops a communicable condition (as defined by the local health department), such as pink eye, chicken pox or lice. Parents are responsible to notify the YMCA within 24 hours or the next business day. In the case of a life-threatening illness, please notify the YMCA immediately. It is important for us to post a notice to other parents as soon as possible.

In the case that your child becomes ill during the program, you will be contacted as soon as possible. If the parent or guardian is unable to be reached, the child's emergency contact will be notified. It is the responsibility of the parents to arrange for the child to be picked up from camp as soon as possible.

COVID-19 Precautions

Below are a few of the new measures we have put into place at this time to ensure health and safety.

- Masks are optional, but not required, for campers and staff at camp.
- We are keeping up to date with the CDC Guidelines and how to proceed with positive cases.
- We will do our best to help educate our campers on proper handwashing processes; however, we do ask that you have this discussion at home prior to coming to daycamp.
- For more information on how to have these types of discussions please see the CDC's information [here](#) and [here](#).

Daily Photos

Camp photos will be posted to the camp Facebook page and Instagram. This is a good way to see a snapshot of what your camper is doing, and share the moments with your network. You can find that sampling at: www.Facebook.com/ymcacampcarter. Our Instagram: ymcacampcarter. Be sure to like and follow our page so you receive updates when new photos are posted! We do our best to get pictures of every child, but some children avoid the camera and some activities cannot be photographed safely.

Consent and Health Forms

YMCA Camp Carter has gone green with the ability for parents to fill out and electronically sign their campers consent and health history forms online. The Day Camp Health Form will be emailed to you.

If you do not have access to the internet, you may stop by Camp Carter during regular business hours and complete the forms there. Camp Carter will also have a limited number of tablets at check-in for form completion. Please allow 15 minutes to complete forms for each camper. Each child **MUST** have their own paperwork. **New forms are required EACH YEAR.**

Drop Off

Camper drop-off occurs each Monday* morning from 7:00 – 8:30 AM at the Rec Hall. No camper will be admitted prior to 7:00 AM! Please contact the Day Camp Director if your child needs to arrive **after** drop-off hours. Children dropped off after 8:30 AM should be taken to the **camp office** where they will wait to be united with their camp group. At drop-off each morning a parent/guardian is required to sign their child in at the check-in line before allowing their child to get out of the vehicle.

*The following will occur on Monday morning check-in (Monday's can be hectic so please be patient):

1. Parents must fill out any forms that have not been received by the office prior to camp.
2. Parents and campers will receive their group and counselor assignment.
3. Store money is turned in. (Although store money may be received at any check-in, we recommend that this money is turned in during check-in on Monday because store schedule is always subject to change.)
4. Any medications are turned in. **Camp Carter may only accept/administer medication in its original packaging with the doctor's current prescription printed clearly on the bottle. The medication release form must also be filled out for each child with medication**

The Monday morning check-in process may take longer than most mornings; please allow extra time. Filling out forms online prior to check-in day will make your check-in faster and more efficient.

Pick-Up

Camper pick-up occurs each day at from 4:00 – 6:00 PM at the Recreation Hall. Parents/Guardians and authorized people will be asked for a signature and **a picture ID** and the license number will be recorded per state guidelines. A list of people authorized to pick-up your child will be located at the check-in line. **Only authorized adults** may pick up your child. Please inform anyone, including parents, authorized to pick-up your child that ID's will be checked for the child's protection. A child will NOT be released to:

- 1) any person that is not on the list (including parents)
- 2) a person on the list who does not show proper identification

There will be a \$20/hour late fee for children picked up after 6:00 pm. Early pick-up, prior to 4:00 PM, will happen at the **office** and requires prior notification and must be given to the Day Camp Director. Pick up before camp is over must happen at the camp office, parents will not be permitted to come in before 4:00pm to pick up their child from the rec hall unless notifying Day Camp Director or other full time staff. Campers will be dropped off at the office as close to an activity change time as possible.

Camp Store

Campers will have the opportunity to visit the camp store during their time at camp. The camp store carries items such as beverages and snacks, t-shirts, hats, water bottles, souvenirs, etc. Items in the store range in prices from \$1.00 to \$25.00. A good rule of thumb is \$4 per day (*this will allow your child to get 1 drink and 1 snack item*) plus any additional for souvenirs. At check-in parents may deposit money into a personal account for their camper. When campers make purchases at the store, their account is debited for that amount. **Cash is not accepted from campers at the camp store. Campers should not keep money with them at camp.** Refunds will be processed at the end of Camp in August. Parents will be given options on how to receive their refund (YMCA Credit, check, refund to credit card) If a camper has less than \$5 in their store account at the end of all sessions, the remainder will be donated to our annual scholarship campaign. If you have any questions about this, or how these funds are used do not hesitate to contact us!
